Innovation Inventory

Initiative Inventory

This is a growing inventory of successful Short Food Supply Chain initiatives throughout Europe. These range from Apps to Visions, from local to Europe-wide, and are geared towards many or specific stakeholders, from consumers to policy makers. The initiative may be browsed or searched.

Use the SMARTCHAIN Platform Initiative Inventory to increase your visibility by adding your short food supply chain to this inventory (you must be registered on the SMARTCHAIN Platform to do so) and to get inspired by learning about a wide variety of successful initiatives.
